

FACULTY AND STAFF APPRECIATION COMMITTEE

Dear Wheaton Academy Families,

As different as school will look this year, our appreciation for the Faculty and Staff remains strong and has not changed. A team of volunteer parents have joined to organize ways to show gratitude for all the above and beyond efforts that have gone into preparing for school. We would love for the Faculty and Staff to see our support and feel the recognition for the work that has gone into quickly adjusting and inventing creative ways to educate and care for our children.

We started this year by blessing them with a BACK TO SCHOOL BREAKFAST on their first professional development day. We hope to encourage and keep them energized by periodically providing special treats throughout the 2020-2021 school year and cap the end of the year with a celebratory luncheon in April.

Our volunteer team collects donations during August and September. These donations are not considered a part of Wheaton Academy. These funds are separate and completely optional.

Might you consider sponsoring one Faculty/Staff member with a donation toward these events?

\$25 would bless one person

\$100 would bless 4 faculty and staff members

\$200 would bless 8 faculty and staff members

and so on...

No amount is too small or too large to consider.

Your generosity in any amount is sincerely appreciated.

All donations, electronic or checks **must include "WA Faculty Staff Appreciation" in memo lines.** You can send donations to the WA Faculty Staff Appreciation account in any of the following ways:

- Chase Zelle Quick Pay using the email: amymhogan5@gmail.com
- Venmo account using: @hogana
- Personal check written to Amy Hogan
***be sure to write "WA Faculty Staff Appreciation" in the memo line and mail to:
