

Parents, please make note of some important details for our October 14th SAT/PSAT testing date:

1. This fall, ALL students will be taking a test (9<sup>th</sup>-12<sup>th</sup> grade). Seniors will take the official SAT in place of the test that was canceled in April. The results from this test can be used for college admission. Sophomores and juniors will take the PSAT NMSQT, and freshman will take the PSAT 8/9.
2. Please make sure your student has a good breakfast that morning.
3. Testing will occur from 8:00 a.m.-1 p.m. for senior students taking the SAT, 8:00 a.m.-12:00p.m. for sophomore and junior students taking the PSAT NMSQT, and 8:00 a.m.-11:30 for freshman taking the PSAT 8/9. Students will be dismissed after the testing. If your student has accommodations on the test, please look at your email for more detail about testing times.
4. You may pick up your student as soon as they are dismissed from their testing rooms.
5. There will not be lunch available at WA this day due to the early dismissal.
6. Students must bring two #2 pencils and an [approved calculator](#).
7. Students will not be able to check their cell phones for the entire time of the test.
8. Students may have a drink or food snack in between testing sections if they pack this and bring it with them the day of the test. They would need to put it away under their desk at the end of each break. There will not be lunch provided during the time of the test. So, snacks are recommended during breaks.

Students will receive a Student Guide in their advisory. We recommend students review that [booklet](#) or view this information online <https://collegereadiness.collegeboard.org> Important information is given in this booklet such as the reminder that there is no penalty for guessing, and students are encouraged to give their best answer to every question.

If you have any questions prior to the SAT/PSAT testing date, please contact Gina Churchill the SAT/PSAT Coordinator at [gchurchill@wheatonacademy.org](mailto:gchurchill@wheatonacademy.org).
