- **Acceptable calculator**—for use on the Math section of the test (if you prefer using a handheld calculator to using the embedded Desmos calculator in the Bluebook app)

Other Notes:

1. Please make sure your student has a good breakfast that morning.
2. Wheaton Academy lunch will not be available on test day, due to the early dismissal.
3. Students may have a drink or food (packed from home) in between testing sections. They must put it away under their desk at the end of each break. There will not be lunch provided during the time of the test. So, snacks are recommended during breaks.
4. Students will not be able to check their cell phones for the entire test time.
5. You may pick up your student as soon as they are dismissed from their testing rooms.

We recommend that students review the [SAT Student Guide](#), [PSAT 10 Student Guide](#), or [8/9 Student Guide](#) and test preparation information found online at <https://satsuite.collegeboard.org/sat/practice-preparation> to feel ready for test day. Important information is given in the SAT Student Guide such as the reminder that there is no penalty for guessing, and students are encouraged to give their best answer to every question.

If you have any questions before the SAT/PSAT testing date, please contact Gina Churchill the SAT/PSAT Coordinator at gchurchill@wheatonacademy.org.
