

Dear Parents of New Families,

In anticipation of the 2024-25 school year, several action steps must be completed before the first day of school on August 26. Our goal is to make this "Back-to-School" process as easy as possible for your family. We have compiled all the necessary steps for you to complete in an online checklist on our Wheaton Academy [families website](#). You can click on this [new students](#) link to access the checklist for your student/s. Action steps include:

- Parent Login into OnCampus
- Scheduling your freshman's physical
- Completing August Schools health forms
- Freshman Launch and Connect Retreats
- Co-Curricular involvement
- Important dates to save
- NOTE for *Summer Academy families*: Your family may have already completed some items on this checklist for your student's enrollment in Summer Academy.

Please note that parents must order books for their students. Families must have their students' school email addresses to order books, and shipping fees on books are waived if books are ordered by July 24. If you have not yet received your student's Dell Latitude or student email address, you may visit Student Services starting July 16 from 8 AM - 4 PM.

The majority of these items must be completed by August 1. If you have any questions about this Back-to-School checklist, contact Angie Roberts in Student Services.

CAMPUS REMINDER:

Due to construction, Wheaton Academy's office hours will be adjusted in July.

- July 1-12 the Academic Building will be closed. The summer receptionist is available Monday through Thursday 8:00 am-4:00 pm at Door 6 of the Heritage Field House.
- July 15-31, the summer receptionist can be accessed using Door 12 of the Academic Building.
- All offices will be closed July 4, 5, 12, 19, and 26.
- We will continue to update Back-to-School details and deadlines as construction finalizes.

We look forward to the 2024-25 school year and a great first day of school on August 26!

In Him,

Angie Roberts
Registrar
