

Dear Wheaton Academy families,

In anticipation of the 2024-24 school year, several action steps must be completed before the first day of school on August 26. Our goal is to make this "Back-to-School" process as easy as possible for your family. We have compiled all the necessary steps for you to complete in an online checklist on our Wheaton Academy [families website](#). You can click on this [returning students](#) link to access the checklist for your student/s. Action steps include:

- Parent Login into OnCampus
- Order books (Please note - shipping fees on books are waived if books are ordered by July 24.)
- Completing August Schools health forms
- Connect Retreats
- Co-Curricular involvement
- Important dates to save
- NOTE for *Summer Academy families*: Your family may have already completed some items on this checklist for your student's enrollment in *Summer Academy*.

The majority of these items must be completed by August 1. If you have any questions about this Back-to-School checklist, contact Angie Roberts in Student Services.

#### **CAMPUS REMINDER:**

Due to construction, Wheaton Academy's office hours will be adjusted in July.

- July 1-12 the Academic Building will be closed. The summer receptionist is available Monday through Thursday 8:00 am-4:00 pm at Door 6 of the Heritage Field House.
- July 15-31, the summer receptionist can be accessed using Door 12 of the Academic Building.
- All offices will be closed July 4, 5, 12, 19, and 26.
- We will continue to update Back-to-School details and deadlines as construction finalizes.

We look forward to the 2024-25 school year and a great first day of school on August 26!
