

TRAFFIC FLOW AND DROP OFF/PICK UP MAP

If parents are dropping off or picking up, parents must enter from Hawthorne Ln. Follow the signs to access the drop zones in the Central Lot and along the main entrance of the Academic Building. Drop zones are marked in blue below.

If students are parking, they may enter from either entrance to park in the North and West Lots.

 All Visitors must check in at the Front Entry via Door 1.

Please note: *Westbound Geneva Rd is closed west of Winfield Rd to replace the bridge over the DuPage River.* If you are coming to school from the east, consider taking Jewel Rd or Winfield Rd to High Lake Road to avoid the closure. Alternate routes include taking Pleasant Hill Rd or County Farm Rd to North Ave.
