Allow us to introduce ourselves. We are the WA Appreciation Team, a group of parent volunteers who plan, organize and host two events during the school year for teachers and staff. These events help express our gratitude for all the ways teachers and staff not only teach, but inspire, nurture, and guide our kids throughout the school year. The WA Appreciation Team manages these events on behalf of ALL Wheaton Academy families and represents our collective gratitude.

We are already planning our first event, in December, where we serve the staff beverages and sweet treats. You will also be hearing from us this spring, as we begin to plan an appreciation luncheon in April.

These events are funded solely through contributions from the school community (which are **completely optional** and not tax-deductible).

Might you consider sponsoring one faculty or staff member for these events?

Your generosity in any amount is appreciated. If you are interested in donating please click here.

Need more information? Please do not hesitate to reach out to the following team members.

Thank you for allowing the tradition of showing our gratitude and affection toward those who tirelessly give so much to our students.

Gratefully,
The Wheaton Academy Appreciation Team of 2024-2025
