

FRESHMAN CLASS SELECTION

Many families ask us about a typical freshman schedule. Please consult the grid below to better understand a student’s possible schedule and the elective courses available. The Curriculum Guide provides descriptions of all of the core and elective classes available to freshmen.

The courses above the black line are required courses for freshmen. Additionally, students participating in our Classical Humanities Cohort will follow a modified freshman and sophomore schedule. Please note that our 2026-2027 electives may update slightly. We will notify families of these changes if applicable.
