

WINTERIM CLASS REGISTRATION

REGISTRATION TIMELINE

Seniors – Monday, November 2, 7:00-9:30 p.m.
Juniors – Wednesday, November 4, 7:00-9:30 p.m.
Sophomores – Monday, November 9, 7:00-9:30 p.m.
Freshmen – Wednesday, November 11, 7:00-9:30 p.m.

- You must register through your **STUDENT** OnCampus portal. **Parents cannot register you through their portal.**
- Select Course Requests in your student portal (will not be able to access until 7 p.m. on your class sign-up night).

- Choose ONE AM class and ONE PM class or ONE FULLDAY CLASS.
- Make sure to pick at least one alternative AM class and one alternative PM class (I would pick at least two alternatives).
- **CLICK SAVE!**
- Check your schedule after a few minutes in OnCampus underneath the Winterim Tab to make sure your classes are there. If they are not, then either the classes filled up or you did not save.

Courses

Term: Summer Academy 1st Semester **Winter Winterim** 2nd Semester

- If you are planning on doing an Internship, you will need to fill out the internship application and register for an internship rather than classes on your class registration night.
- If you are on a trip, you don't need to do anything.
- Course registration closes at 9:30 p.m. on your assigned day.

NOTES TO REMEMBER

- Some classes fill up very quickly. Logging into to register at your assigned time does not guarantee a spot in a class.
- If you do not register for classes, we will select classes for you.
- When a class is full and closes, it will be posted on the Winterim Courses Overview page and on the course description page.
